**S-STOL**      **Made in Germany**

Price 2023-05

**Standard version serie:**

|                                 |   |
|---------------------------------|---|
| Aluminium sheets:               | aviation quality  |
| Corrosion protection - standard | on all contact points / lines   |
| Screws:                         | aviation quality, AN...   |
| Other mounting hardware:        | Bearings, bushings, connectors,<br>Quick locks, and much more. are quality products   |
| Cowling:                        | Carbon CFK, mounting with quick locks   |
| Canopy:                         | Acrylic with UV protection, clear (tinted with extra charge)  |
| Instrumentation:                | Airspeed, Altimeter<br>Tachometer, compass<br>Flapsindicator with volt-<br>and temp.-indicator<br>Slip indicatur<br>Electric Fuel Gauge<br>Oil pressure and oil temperature indicator<br>Cylinder head temperature (water)<br>Choke, Gas with setting option<br>Fuse, overcurrent protection switch - automatic |
| Panel:                          | Nextel painted by glare-free  |
| Ignition switch:                | "on" and "off" electrical control of both magnets   |
| Engine:                         | Rotax 912 ULS (100 hp)<br>with slip clutch<br>and large starter<br>Exhaust system made of stainless steel<br>Additional electric fuel pump  |
| Firewall:                       | Stainless steel   |
| Petrol hose:                    | With heat protection  |
| Batterie:                       | Gel - Maintenance-free, 17 Amp, Standard approx. 6 kg   |

|                       |  |
|-----------------------|--|
| Fuel Tanks:           | Wing tanks, at least 2 x 45 liters   |
| Filler cap:           | Lockable, Newton-quality milled  |
| Tank selector switch: | 3-way switch, Newton-quality milled  |
| Propeller:            | 3 - blade CFK,adjustable on the ground   |
| Split flaps:          | Electrically adjustable  |
| Trim:                 | Elevator, electrically adjustable  |
| Cable:                | Transferred to special protection tubes,<br>Central plug on the fire wall  |
| Seat belt:            | 4-point shoulder belts   |
| Gear / legs:          | Robust, led in plastic steel chassis,  |
| Rims:                 | Light alloy wheels, milled from solid material,<br>Tire changing is easy to install,<br>Hydraulic disc brakes with two-piston calipers |
| Brake:                | Foot brake, individual wheel brake   |
| Interior:             | Hardwearing, lightweight material  |

|                    |  |
|--------------------|--|
| Cabin ventilation: | Adjustable ventilation                                 |
| Heat:              | Cabin heating by heat exchangers on the exhaust system |
| Storage space:     | Luggage rack behind the seats                          |
| Lashing rings:     | Wings and tail   |

|                        |                |                     |                   |   |
